## Introduction

The purpose of the Transit Operators Financial Transactions report is to collect specific financial related and statistical data information about the operations of public transit services provided by transit operators throughout California. The data compiled from this financial report is published in the California State Controller's *Transit Operators and Non-Transit Claimants Annual Report* for use by the State Legislature, transportation planners, and the public.

General reporting instructions, electronic report format instructions, paper reporting forms, and applicable California laws related to the reporting requirements for preparing the Transit Operators Financial Transactions Report are available on the California State Controller's Web site at <http://www.sco.ca.gov>.

## **Filing Requirements:**

### **Who must file:**

All transit operators (a city, county, or special district), who operate or contract for operations of a general purpose transit system or specialized service transit system, are required under Section 99243 of the Public Utilities Code to file a report of financial transactions with the California State Controller.

### **What to File:**

The following reports must be submitted by the statutory deadline. Although the Transit Operators Financial Transactions Report can be submitted in the prescribed electronic report format, the signed Cover Page Form of the Transit Operators Financial Transactions Report and the U.S. Bureau of the Census Survey must be mailed in paper form to complete filing requirements.

- **Transit Operators Financial Transactions Report** (including signed Cover Page Form)
- **U.S. Bureau of the Census Survey**

### **When to File:**

The paper report is due within 90 days after the close of the agency's fiscal year, or 110 days if filing the California State Controller's electronic format report. For an agency whose fiscal year ends June 30, the paper report is due September 30 and the electronic report is due October 20. Be advised that there is no statutory authority for the California State Controller to grant extensions for filing this report.

### **What to file:**

Public Utilities Code Section 99243 requires the reports to be filed 90 days after the close of the transit operator's fiscal year (110 days if filing in the electronic format report prescribed by the California State Controller). Therefore, reports are due by September 30, (October 20 if filing electronically) for those transit operators whose fiscal year ends June 30. Be advised that there is no statutory authority for the California State Controller to grant extensions for filing this report.

### **Where to File:**

All reports must be filed by the respective deadline via one of the following methods. Reports can be filed via the Internet File Transfer Protocol process, U.S. Mail, or Express Mail.

## **Filing Requirements - (Continued):**

### **By File Transfer Protocol:**

The electronic report can be filed via your agency's File Transfer Protocol or by using your Web browser. Please refer to the Automated Report Guidelines available on both the compact disc mailed and on the California State Controller's Web site at <http://www.sco.ca.gov/ard/local/locrep/transit/>. Please remember that the signed Cover Page Form and the U.S. Bureau of the Census Survey must be mailed to the California State Controller's Office to complete filing requirements.

### **By U.S. mail:**

California State Controller's Office  
Division of Accounting and Reporting  
Local Government Reporting Section - **Transit Unit**  
P.O. BOX 942850  
Sacramento, CA 94250-5875

### **By Express Mail:**

California State Controller's Office  
Division of Accounting and Reporting  
Local Government Reporting Section - **Transit Unit**  
3301 C Street, Suite 700  
Sacramento, CA 95816

### **Electronic Report Format:**

A compact disc (CD) will be mailed to each transit operator containing the electronic reporting forms and instructions for preparing Transit Operators Financial Transactions Report. The automated reporting instructions provide a step-by-step guide through the electronic reporting process and electronic transmission of the completed report. A file containing your reported data will be generated once you complete your electronic report. This file can be submitted to the California State Controller's Office via the Internet. If you do not have access to the Internet to use the File Transfer Protocol process to submit your report, the completed electronic report can be copied to a diskette and mailed to the California State Controller's Office at the address above. Whenever the electronic format report is used, 110 days after the fiscal year end is the deadline for filing the report regardless of the method used to submit the report.

### **Paper Reports:**

Reporting forms and instructions can be printed from the electronic format report provided on the CD and are also available via the Internet at <http://www.sco.ca.gov/ard/local/locrep/transit/>. If you do not have access to a CD-ROM or the Internet, you can call (916) 445-5153 to request that forms and instructions be mailed to you.

## **Filing Requirements - (Continued):**

### **Penalties**

Pursuant to subdivision C of the Public Utilities Code Section 99243, "the State Controller shall instruct the county auditor to withhold payments from the fund (i.e., Local Transportation Fund) to any operator who has not submitted its annual report to the State Controller within the time specified by subdivision (a)."

### **Report Assistance**

The answers to commonly asked questions can be found in these instructions. Although the California State Controller's Office is unable to provide report preparation assistance at your office, assistance can be obtained by telephoning the California State Controller's staff in Sacramento at (916) 445-5153.

## **Reporting Requirements:**

### **Required Report Format:**

#### **Report Whole Amounts**

Eliminate the cents for amounts by rounding to the nearest dollar.

#### **Unused Forms**

If preparing a paper report, please file only the forms used to complete your report.

#### **Bracketed Amounts**

If preparing a paper report, use brackets ( ) to indicate a reduction or negative amount on a line item.

#### **Required Versus Optional Forms**

All required forms must be completed. Those forms referred to as "optional" must be completed, if applicable to the agency's activities in order to prepare a complete report for the agency. The reporting forms are organized in the order in which they should be completed.

## **Cover Page Form:**

This form allows the fiscal officer responsible for the report to signify that he or she has reviewed the agency's report and is submitting the report on behalf of the agency. The Cover Page Form must be submitted in paper form to the California State Controller's Office to complete filing requirements for this report.

### **Electronic Reports**

The Cover Page Form can only be generated by the electronic report after all items entered on the report are validated by the electronic reporting program. The signed Cover Page Form must be submitted in paper form to complete filing requirements.

### **Paper Reports**

If preparing a paper report, please provide the agency's name, 11-digit identification number, and the fiscal year of the report. The signed Cover Page Form must be submitted in paper form to complete filing requirements.

## **General Information Form:**

The purpose of this form is to report pertinent, non-financial data about the agency's officials, members of the governing body, and the preparer of the report. Provide all information requested. It is important to include data relating to who prepared the report and his or her telephone number, in the event that California State Controller's staff have questions while reviewing the report.

### **Specific Instructions:**

Report all non-financial information requested on this form. Transit operators providing two types of service, (general public use and transit service exclusively for the elderly/handicapped) must complete a separate report for each type of service.

Indicate, in the boxes provided, the source of Transportation Development Act (TDA) revenue received by the agency [Articles 4, 4.5 8(c) and 4 (99260.7)], and the type of service provided by the transit operator (General Public Use or Specialized Service for the elderly and/or handicapped).

If claiming more than one article, claimants may still file a single report. However, a separate report must be filed for each type of service provided: General Public Use Service or Specialized Service exclusive for elderly and/or handicapped. For example, if an agency has received Article 4 and Article 8(c) monies to provide General Public Use Service, the agency should submit one report. If that agency has also received Article 4 monies to provide Specialized Service for the elderly and/or handicapped, then a report must be submitted for the Specialized Service operations

The purpose of this form is to report pertinent non-financial data about the transportation planning agency officials, the preparer of the report, and the agency's independent auditor. Please provide all information requested. It is important to provide information relating to who prepared the report and his or her telephone number, in the event that California State Controller's staff have questions while reviewing the report.

To help expedite the review of the reports, please be sure that all items are entered accurately. Your attention to the following details is appreciated:

### **Members of the Governing Body**

Report the information requested to identify the chairperson and members of the governing body of the agency.

### **Agency Officials**

Report the information requested to identify the transit manager, secretary, and fiscal officer of the agency.

### **Independent Auditor**

Report the full name, address, and phone number for the person responsible for the agency's independent audit report. This person will be a secondary contact if the California State Controller's staff have questions while reviewing the audit report.

## **General Information Form – (Continued):**

### **Report Prepared By**

Report the full name, address, and phone number for the person who prepared the report submitted. This person will be the primary contact if the California State Controller's staff have questions while reviewing the report.

## Supplemental Operating Data Form:

The purpose of this form is to collect statistical data about different modes of transportation services provided. The operating data for each mode of transportation service should be completed in the appropriate column.

### Operating Data:

#### **Total Annual Passengers**

Report all passengers boarded on unlinked passenger trips.

#### **Actual Vehicle Revenue Hours – Annual**

Report the vehicle revenue hours for weekdays, Saturdays, and Sundays. Annual vehicle revenue hours should reflect total number of actual hours of all vehicles in revenue service.

#### **Total Actual Vehicle Revenue Hours – Annual**

The electronic report will calculate **Total Actual Vehicle Revenue Hours – Annual** for each mode of transportation. If preparing a paper report, enter the sum of **Weekdays**, **Saturdays**, and **Sundays** for each mode of transportation.

#### **Total Actual Revenue Vehicle Miles**

Report the total number of miles while in revenue service for the fiscal year for each mode of transportation. Do not include miles traveled to and from storage facilities and other deadhead travel.

#### **Revenue Vehicle Inventory**

Report only the total number of active vehicles for each mode of transportation. Active vehicles include those that are available to operate in revenue service. Do not include vehicles awaiting sale, disposal, or those held in storage.

### **Vehicles in Operation - Weekly:**

#### **Weekdays – Middays**

Report the number of vehicles operating during a typical week during the midday. Midday is the period between the end of the a.m. peak and the beginning of the p.m. peak.

#### **Weekdays - Peak**

Report the number of vehicles operating during a typical week during peak hours. Peak hours are when additional services are provided to handle higher passenger volumes.

## **Supplemental Operating Data Form - (Continued):**

### **Saturday**

Report the number of vehicles operating on an average Saturday. An average Saturday is neither the maximum or minimum number of vehicles during the year but the average of several Saturdays throughout the year.

### **Sunday**

Report the number of vehicles operating on an average Sunday. An average Sunday is neither the maximum or minimum number of vehicles during the year but the average of several Sundays throughout the year.

### **Total Employees - Public and Contract**

Report the number of employee equivalents. Public Utilities Code section 99247(j) defines "Vehicle service hours per employee" as the vehicle service hours divided by the number of employees employed in connection with the public transportation system. Use the assumption that 2,000 person-hours of work in one year constitutes one employee. The number of employees shall also include those individuals employed by the operator which provide services to the agency of the operator responsible for the operation of the public transportation system even though not employed in that agency.

### **Date Service Began Operations MM/DD/YY**

Report the date that the service began for each mode of transportation. This date should be consistently reported each year. Enter the date in a MM/DD/YY format, e.g., July 1, 2001 should be reported as 07/01/01.

## **Schedule of Operating Cost Exclusions and Exemptions - Operating Cost Form:**

The information on this form will assist the California State Controller's staff in computing the ratios of fare revenues to operating costs, and fare and local support revenues to operating costs.

### **Specific Instructions:**

Public Utilities Code (PUC) sections are cited for reference in preparing this form. Report all the exclusions and exemptions listed, if applicable.

### **Exclusions:**

#### **Charter Service Expenses PUC 99247.(a)**

Report the amount of charter service expenses incurred.

#### **Vehicle Lease Expenses PUC 99247.(a)**

Report the amount of vehicle lease expenses incurred.

## Statement of Long-Term Debt Form:

The purpose of this form is to report the long-term indebtedness of the agency. The types of debt to report include General Obligation Bonds, Revenue Bonds, Certificates of Participation, and Other Long-Term Indebtedness.

The characteristics of the various types of debt are as described below:

### General Obligation Bonds

a. The principal and interest are paid with the proceeds of property taxes or assessments levied by the local agency.

b. When issued, the entire territory of the local agency is responsible for the bond.

### Revenue Bonds

The principal and interest are paid with the revenue generated from an enterprise. However, the bond covenant may also include the provision for some augmentation from other sources.

### Certificates of Participation

The principal and interest are paid with the revenue generated from an enterprise. However, the bond covenant may also include the provision for some augmentation from other sources.

### Other Long-Term Indebtedness

Include other debt not listed above.

### Specific Instructions:

Information reported for each bond issuance must be consistently reported throughout the term of the bond. It is important to properly classify the type of debt and purpose for each new issuance. The information reported will be published as reported by the agency until maturity. You will not be able to modify this information on the electronic report once established.

Use a separate form for each debt issued. Report only the principal payments of debt service on this form.

Refunding bond issues should be reported in addition to the original issue that will be refunded until the original issue is "called" and redeemed. Once the original issue has been legally extinguished or "defeased" through the establishment of a trust, the original issue should no longer be reported.

### Forwarded from Prior Year

The electronic report will carry forward information from the transit operator's prior year report for each type of debt reported. If preparing a paper report, enter "Yes" if you previously reported this debt. Enter "No" if you have not previously reported this debt.
